Purpose

This administrative procedure outlines the implementation guidelines for the inter-campus shuttle service fee policy providing transportation for COM-FSM students between Pohnpei Campus and National Campus from Monday to Friday when classes are in session, during orientation and exams. The intent of this shuttle service is to improve a student's timely access to classes at both campuses and to take advantage of the services and resources available at both campuses.

Bus Pass

National Campus and Pohnpei Campus business offices will issue bus passes to students upon cash payments or authorizing charges against their Pell Grant award. Semester passes will be available for students.

Bus Schedules and Bus Passes

National Maintenance Office will distribute initial bus schedules during the first week and second week of every semester. A final schedule will be released after the second week of classes at which time bus passes will be required to board the buses.
