References:

Instructional program for the national and state campuses are delineated as follows:

- National Campus is to offer the following:
 - Majority of AS/AA degree programs that serve the workforce needs of the FSM and prepare students for transfer to four-year institutions;
 - Bachelor of Science in Elementary Education
 - All third-year certificate of achievement programs;
 - Collaboration with regional as well as U.S. institutions on BA/BS degree programs as needed;
 - Arrange for distance education programs in BA/BS and MA/MS degree programs for FSM citizens;
 - Offer and expand AS/AA degree programs to state campuses based on needs of the states through distance education; and
 - Upper level developmental courses.

- State campuses are to offer the following:
 - AA degree program in pre-teacher preparation (except at the Career and Technical Education Center [CTEC]);
 - Third-year Certificate of Achievement in Teacher Preparation-Elementary (except at CTEC);
 - Bachelor of Science in Elementary Education (except at CTEC);
 - Specialized career and technical education programs based on the needs of the respective states and availability of resources;
 - One additional AA/AS degree program in which each state wants to specialize;
 - Short-term training programs and other training programs that are needed in the states; and
 - Certificates and developmental programs designed to upgrade basic skills.
