Dear President Daisy,

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met October 24, 2018, to review the Substantive Change Application from College of Micronesia-FSM to offer a new program:

- Elementary Education (B.S.)

The Committee acted to **approve** the substantive change.

ACCJC will require a follow up visit to your institution in Fall 2019. Two items of focus during this visit will be integrated planning in relation to this new program and assurance that Student Learning Outcomes are at an upper division level and demonstrate appropriate rigor.

On behalf of the Commission, I wish to express appreciation for the work that the College undertook to prepare this Application for Substantive Change. The Commission encourages the College's continued work to ensure educational quality and to support student success.

If you should have any questions concerning this letter or the Commission action, please don't hesitate to contact me. I would be glad to help you.

Sincerely,
