Mr. Fabian Nimea  
Director SBOC  
Government of the FSM  
Palikir, Pohnpei 96941

Dear Director Nimea:

Attached is the College of Micronesia – FSM 2<sup>nd</sup> Quarter 2008 Performance Report. The report covers major activities and accomplishments for the college from January 1, 2008 through March 31, 2008.

You will find the report in the college's normal reporting format that tracks major accomplishments at the college directly against its mission, strategic goals and objectives. The college has not been provided with the updated PRS.

The purpose for this format is to assist the college in tracking equity and progress toward meeting the college's missions across all six campuses. As was reported in 1<sup>st</sup> quarter 2008, this report continues to highlight the major accomplishments of the college against the COM-FSM FY 2008 Institutional Priorities and the President's Retreat 2007 Problem Statements. These documents are attached to shed more information on the report. Electronic copies of the report will also be provided to SBOC via email.

Should you need further information or clarification, please do not hesitate to contact my office.

Sincerely,

Spensin James  
President
